

## Did you know that Poland becoming a „hospital of Europe”?

In the last few years, Poland has joined the countries perceived as one of the most interesting destinations for medical tourism.

What attracts foreign tourists to Poland, is mainly the price of medical services. Depending on the procedure, it is lower by up to 80 percent than in Western Europe. But the biggest assets are high quality of medical services and access to good specialists. Our partners are experts with world-class success rates.

We offer dental procedures, such as teeth whitening, porcelain veneers establishment or insertion of dental implants. Or maybe you prefer comprehensive ambulatory rehabilitation?

There is many reasons to come to our region: professional medical personnel, innovative treatments, high quality – low costs, comprehensive care, modern medical equipment and attractive tourist offer.

Our medical personnel will take care of your teeth, body, you will save a lot of money and visit one of the most beautiful region in Poland.

For weekend medi tour we offer:
